

MSPICE MARINADES consist of wide range of delicious marinades for every taste. With years of experience and strong knowledge we can create all types of marinades. Premium taste, attractive appearance, first-class ingredients and ease of use are the main things for us. With MSPICE MARINADES meat also becomes more juicier and tender.

Besides tailoring we offer you our basic line (below) to which we have gathered the most popular and delicious flavors. Marinades are all free from allergens and sodium glutamate. Dosage suggestion of ready marinade is 15% and then the salt content of the end product will be 1%. By adding just water and vegetable oil you can prepare excellent marinades. Products are delivered in powder form.
